Dear Valued Customer:

January 18, 2012

The European Chemicals Agency (ECHA) has identified a Candidate List of Substances of Very High Concern (SVHC) for Authorization. This list is available on ECHA's website <http://echa.europa.eu/>. This list will be regularly updated when more substances are identified as SVHC. ECHA urges companies to check their potential obligations resulting from the Candidate List.

Rogers has evaluated the ACMD products for SVHC. Rogers does not use any of the substances published as of January 18, 2012 in the formulation or processing of any products on the market today.¹

The products covered by this statement includes the R/flex® Series of Flexible Products and Thin Dielectric Laminates (FCCL), Coverlayers (FCL), Bonding Films, and Covercoat materials including:
