Dear Valued Customer,

The European Chemicals agency (ECHA) has identified a Candidate List of Substance of Very high Concern (SVHC) for Authorization. This list is available on the ECHA's website <http://echa.europa.eu/>. This list will be regularly updated when more substances are identified as SVHC. ECHA urges companies to check their potential obligations resulting from the Candidate List.

Rogers has evaluated the High Performance Foam products for SVHC. Rogers does not use any of the substance publish as of December 19, 2011 in the formulation or processing of any products on the market today.¹

If I may be of any further assistance, please do not hesitate to contact me via e-mail at jeremy.ross@rogerscorp.com or by calling 860-928-8909.

Sincerely:

A handwritten signature in black ink that reads 'Jeremy Ross'. The signature is written in a cursive style with a large, looped 'J' and 'R'.
