To Whom It May Concern:

Thank you for your recent inquiry with respect to whether or not Poron<sup>®</sup> Urethane Foam is BSE, bovine spongiform encephalopathy, or TSE, transmissible spongiform encephalopathies, free. Allow me to assure you PORON foam is not the product of starting materials that are of animal origin and therefore, free of potential BSE and TSE agents.

The response provided by Rogers is based upon our knowledge of the raw materials used in the manufacture of PORON<sup>®</sup>. The information is accurate to the best of our knowledge.

If I may be of any further assistance, please do not hesitate to contact me via e-mail at [gregory.waters@rogers-corp.com](mailto:gregory.waters@rogers-corp.com) or by calling 860-928-8803.

Sincerely,
