ORDER POLICIES

Order Cancellation / Returns: Subject to a 15% restocking charge.

Drop Shipment: There will be a 20% surcharge added to all drop shipment requests for orders below (USD) \$1,000 (except in the United States) on Custom Slit Material.

Tolerances: Length tolerance of rolls shipped is $\pm 1\%$ of ticketed length.

S = Standard Item: Shipment within 3 weeks of order is subject to availability and lead time.

A = Available Item: Shipment within 5 weeks of order is subject to availability and lead time. Minimum order is nearest roll quantity over 3,000 square feet (279 m²).

Special Requests: Custom widths, custom adhesives, custom slitting or other special requirements will be handled on a case-by-case basis through the Request for Quotation (RFQ) process. Call Customer Service to submit your request at 866-453-1002 or 860-928-3622 for International calls.

Special Note: There shall be no minimum order requirement for "Available" products shipped from existing inventory.

CUSTOM SLITTING POLICY

Rogers will slit R/bak SA 2000 tapes from 54-inch (137 cm) wide master rolls only. Any combination of slit widths may be ordered from a single 54-inch (137 cm) wide master roll. Slitting tolerance is ± 0.125 in (3.2 mm).

The customer will be charged for the entire 54-inch (137 cm) width. Any off cut that is generated will be shipped with the order. The slit rolls will be shipped in one 57-inch (145 cm) box. Special boxes will not be available for special size rolls. The box will have a label with the roll sizes and quantities of each slit roll.

The typical lead time is 3 weeks from receipt of order for R/bak SA 2000 products.

Maximum order size for this lead time is five 54-inch (137 cm) rolls. If larger quantities of custom width SA 2000 products are needed, please refer to the R/bak® Product Availability and Order Policy document for additional information, or contact your R/bak Account Manager.
